GWALIOR GLORY HIGH SCHOOL Shivpuri Link Road, Neemchandoha, Gwalior (M.P.)

Track Your School Bus

A. <u>For Android Phone</u>

- 1. Install **"Exsensor GPS tracking"** application from Play store.
- 2. When you will open the application for the first time, it will ask for server name.
- 3. Enter server name as "exsensorplus"
- The username will start with word **route** followed by the bus no.
- 5. For example : if your bus no is 9, then the username will be
 "route09" and if your bus no is 20, then your username will be "route20"
- 6. Enter password 123456 (password is same for all)
- 7. Check **remember me** checkbox.

B. <u>For iphone</u>

- 1. Install "Exsensor GPS tracking application" from App store.
- 2. When you will open the application for the first time, it will ask for server name.
- 3. Enter server name as "exsensorplus"
- 4. The username will start with word **route** followed by the bus no.
- For example : if your bus no is 9, then the username will be "route09" and if your bus no is 20, then your username will be "route20"
- 6. Enter password 123456 (password is same for all)
- 7. Check **remember me** checkbox.

Note: The data and time visible on the Application Title bar when the Bus is clicked on the Map should be the <u>current date and time</u>. If current date and time is not getting displayed, it means that GPS is off. Always be present at your bus stop 5 min before the boarding time.
